**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am pleased with the competitive provider I use, Sonic.net. I like their service, their ethics and their product. I can't afford to be at the mercy of big greedy corporations who are not even available by phone when you need them. Fiber optics is very fast and does not have interruptions I experienced with DSL. Competition is always a better solution.
